The Class of 1981 was the smallest class of graduate in the history of West Lyon. The class contained only 65 students.

In the final year at WL they had a wide range of activities going on. For the first time there was volleyball. Football, band and Homecoming were the main events of the fall. The South Dakota Air National Guard entertained the class with a 45 minute flight in Sioux Falls. Afterwards everyone went to Godfathers to chow down! During the last weeks of school music contest, golf, track meets, and prom helped to pass the time until the final moment everyone had waited for—GRADUATION!

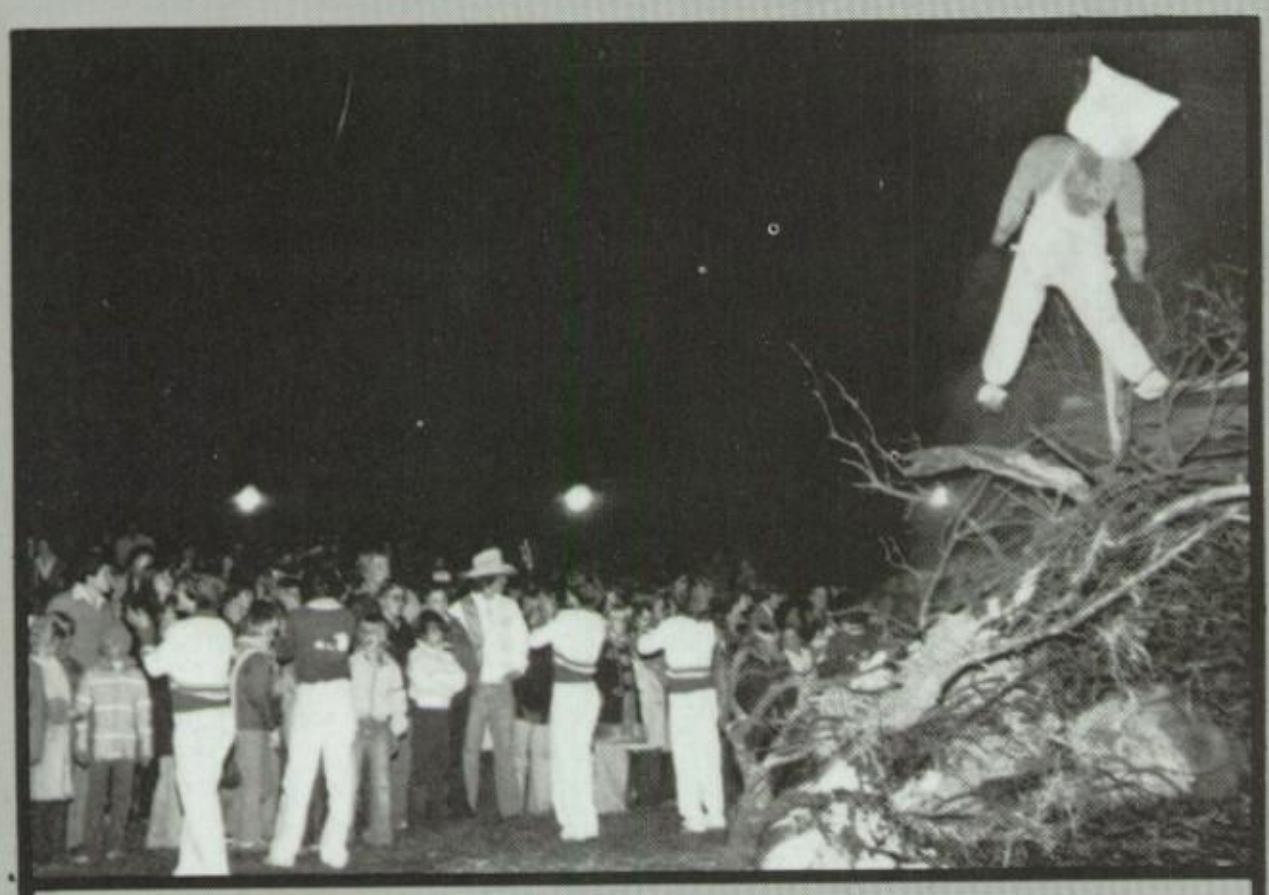
A Never Ending Rainbow Of Memories

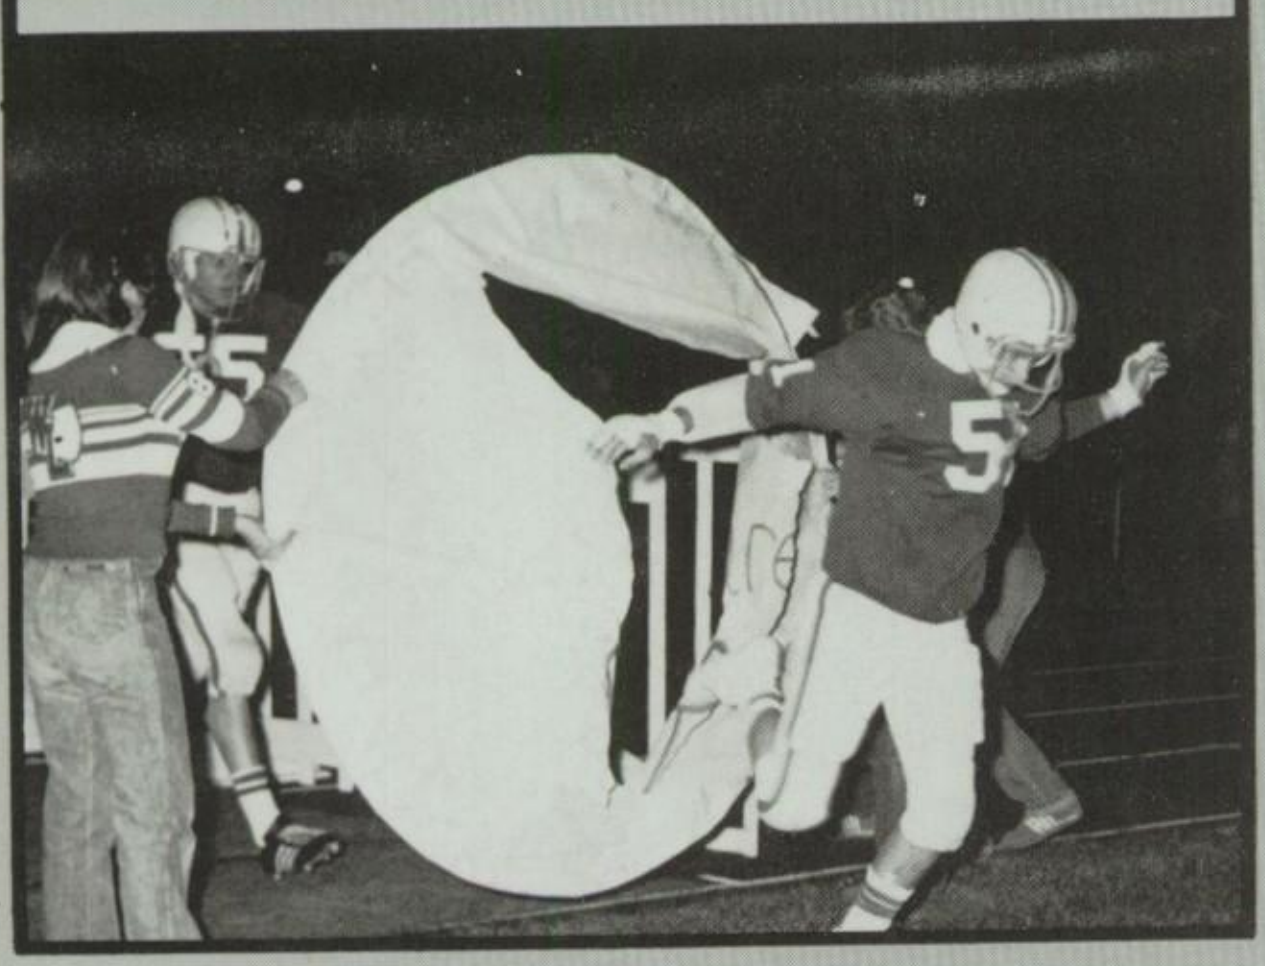
Homecoming 1980 began with a week of scheduled activities. Costume, slave, inside-out, dress-up, and blue-and-white days were all held with great success.

A "Rainbow of Memories" was the theme for 1980 Coronation, and the gym and stage were decorated in the colors of a rainbow. The girls trio sang the song "Why", and Dan Metzger was the always joking Master of Ceremonies. The evening was highlighted by the crowning of Jim Knobloch and Diane Metzger as King and Queen.

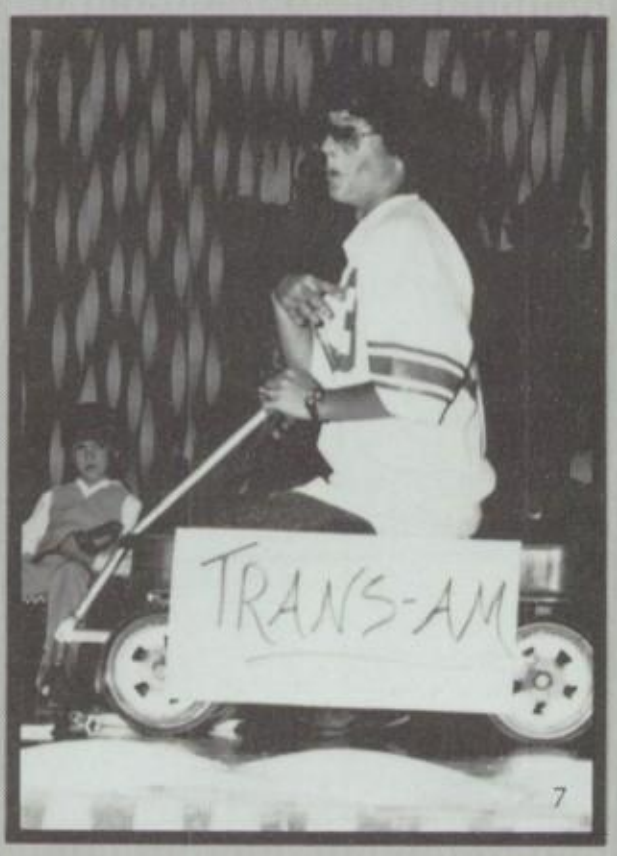
Friday's activities included volleyball and a watermelon feed for the juniors and seniors.

Although the team was defeated by the Dutchmen in Friday night's game, everyone enjoyed the dance with music by Disco on Wheels.





1. Dan Metzger served as Master of Ceremonies.
2. The MOC Dutchmen are "Torched" to their death at the bonfire.
3. The trio of Gwen Hohman, Laurel Mundt, and Luanne Metzger sang the song "Why".
4. Steve Frerichs makes a breakthrough for victory.



5. Becky Metzger interviews Jeff Kramer and Linda Grotewold playing the future, fueding "Lori and Mike" in the junior skit.
6. Paul Lems crowns the new queen.
7. Doug Childress drives Doup Lapes "Trans-am" in the Senior skit.
8. The sophomore class makes Linda Hildring a bit tipsy.
9. Crownbearers for the evening were Ron Richarz and Mindy Kerkvliet.

An old, wealthy merchant of Youngers, Mr. Vandergelder, has decided to find a wife. He employs Mrs. Levi, a matchmaker to help him do this. She becomes involved in the romances of not only Mr. Vandergelder but also his two clerks, Vandergelder's daughter, and various young ladies and gentlemen. The climax of the play is a hilarious scene of complications in a restaurant. As everyone is straightened out romantically, the merchant finds himself attracted to Mrs. Levi.

The play, written by Thornon Wilder and directed by Mr. Stai was staged three times.

Eleven characters, eight murders, ten statuettes, one island, and Agatha Christie . . . What do you have? A murder mystery in the little theater.

Three Performances of the play were successfully staged before a matinee and two evening audiences on March 31 and April 1.

The story revolves around a nursery rhyme embossed above the mantlepiece which tells how each indian met his death. To an unusual country house Eight assorted guests are invited for a weekend by a mysterious host. One by one each guest, along with the two servants, begin to die off. One of the guests really does turn out to be the murderer and the audience goes to great pains to find him out. Ain't that right Mef?

NHS

During the past year the Consequi Chapter of the National Honor Society sponsored many projects which helped them fulfill their goals of scholarship, leadership, service, and character.

On Halloween, the NHS members "trick or treated" in school to collect money for the Heart Fund. To raise money the NHS sold concessions at the Wrestling meets. The spring Sweetheart Dance was held in March with the FFA. On Secretaries Day, flowers were given to the three secretaries at West Lyon. Several NHS members also helped sponsor the Bike-A-Thon in Inwood for cystic fibrosis during May. The year also witnessed the induction of fifteen new members on May 5.

Speech Club

State I's

Small group contest and large group contest were some of the highlights of a speech club member's year. This year's speech club fared well at these contests. (See Awards Page).

Officers for the 1980-81 school year were as follows: President, Denee Hansen; Vice-President, Teri Hanzen; Secretary, Sandi Boer; Treasurer, Gloria Knobloch; Parliamentarian, Randy Hanzen; and Sargeant of Arms, Laura Ripperda.

The Speech Club ended their year with a hearty banquet at the Lester Inn.

Annual Staff

This year's annual staff again worked long hours to meet their yearly deadlines. The seniors, in the last hours of the school year, set a new record for getting frantically finished up on the book in order to have a relaxing summer.

To help keep the cost of the annuals down, the staff went on a massive campaign program to sell ads and came up with a new grand total in revenue received from local merchants.

The West Lyon members of Future Homemakers of America/ HERO experienced a wide variety of rewarding activities during the school year. The chapter started the year early by providing refreshments at the West Lyon FFA judging contest in June.

Other activities throughout the year were the annual FHA-FFA hayride, the club attendance of the District Meeting at Sibley, two bake sales, serving at the FFA and pork banquets, Christmas caroling to the residents of the two homes in Rock Rapids, observation of National FHA week, a teacher-appreciation breakfast, A Father-Daughter Banquet, Family Soup Supper, Mother's Tea, the producing and selling of FHA cookbooks, and a picnic at Lake Pahoja. Also Mrs. McLean, Joleen Scholten, Julie Feucht, and Lisa Boer attended the state FHA Convention in Des Moines. Seniors finished the year with a trip to Minneapolis to visit the Betty Crocker Kitchens.

FFA

Giving it all it has at the Annual FFA Tractor Pull

Sweetheart candidate Donna Knobloch showing us her the proper way to feed a lamb at the Sweetheart Contest.

Three hundred sixty hours of work produced a quite attractive play ground which the Elementary studenes really enjoy.

FFA has continued its tradition of excellence in the past year. In May the test plot on Cornie DeHaan's farm was planted. In June, 3 seniors and their advisors traveled to Missouri and Arkansas on their Senior trip, and the FFA sponsored its 1st Livestock judging contest on Walt Ranschau's farm. In July six officers traveled to Buena Vista County park for the NW District Leadership Camp. The Annual tractor pull was held with the largest crowd and number of participants ever. Program of work camp was held at the state park near Lake Okoboji. On August 11 the in-coming Freshmen were welcomed at the annual watermellon feed. During August ten individuals represented the FHA at the Lyon County Fair. Brad Moser, Doug Childress and Jerry Haack participated in the State Ag Mechanics Contest at Ames and received 4th place as a team with Jerry placing second as an individual. In September a judging team traveled to Spencer for the Clay County Fair contest. The BOAC project, renovating the elementary playground was completed in September. October events included a Field Day, the annual FFA-FHA hayride, a trap shoot and harvesting the test plot. The FFA also assisted Inwood Hatchery in checking yields for the Iowa Master Corn Grower's Contest. In November, Mr. Zobel and six members attended the 53rd annual national convention in Kansas City. The chapter sold 900 boxes of fruit (the major money making activity). Three head of cattle were purchased from Howard Mogler to be shown at this year's Lyon County Fair. Two judging teams attended the Sioux Empire farm show, 12 members went to Sibley for the Subdistrict contest. National FFA week was celebrated February 22-28. Julie Feucht was crowned FFA Sweetheart at the annual Sweetheart Dance. Eleven members participated in the District Contests held at Estherville. Other judging contests attended in March and April were the Lennox Pork Show, Viborg Swine Show, Little International and Sioux City Stockyards Meats Contest. Eight members participated in the State FFA Leadership contest at Sioux City. The Parliamentary Procedure team received a gold. Brad Moser and Jerry Haack both received Golds for their proficiency awards and both received the Iowa Farmer Degree. Jerry Haack was selected Star Northwest District Farmer. Tracy Gayer sang in the FFA Chorus. The Chapter received a Bronze State Award for their BOAC projects.

Swing Choir is a group of sixteen vocalists who show their talents through their performances during the year. They perform at the winter and spring concerts, graduation and Countdown.

In April they competed in small Group Contest and received a I rating. Countdown is always the highlight of the year and this year besides working on the music, they added some choreography. Accompanist for the first semester was Linda Hildring and second semester was Jayne Friedrich.

Mixed Chorus And Girls Glee

As the 1980-81 year comes to an end the Mixed Chorus and Girls Glee should very proudly pat themselves on the back for their great job in all they did. Their performances consisted of Christmas and Spring Concerts, and contest in Division "A" schools. Both groups put their best abilities into the contest and came home with "I" ratings. Also the Mixed Chorus sang at Baccalaureate. It is a year that will long be remembered by those who took part.

Marching Band

The WL Band finished its first marching season with a new director, Mr. Harloff.

The band has had a successful year, receiving first in parade and second in field in Luverne, a I rating at State, first place in the parade marching contest in LeMars, and playing at all but one of the home football games.

Mr. Harloff said that it was an educational year, learning to know each other; he also said that if it wasn't for the great attitude of the kids, there could have been no band.

For this season, Linda Hildring was drum majorette, Joni TerWee was the rifle captain, and Julie Feucht was the flag captain.

The pictures on this page were taken during the exhibition show put on for WL elementary.

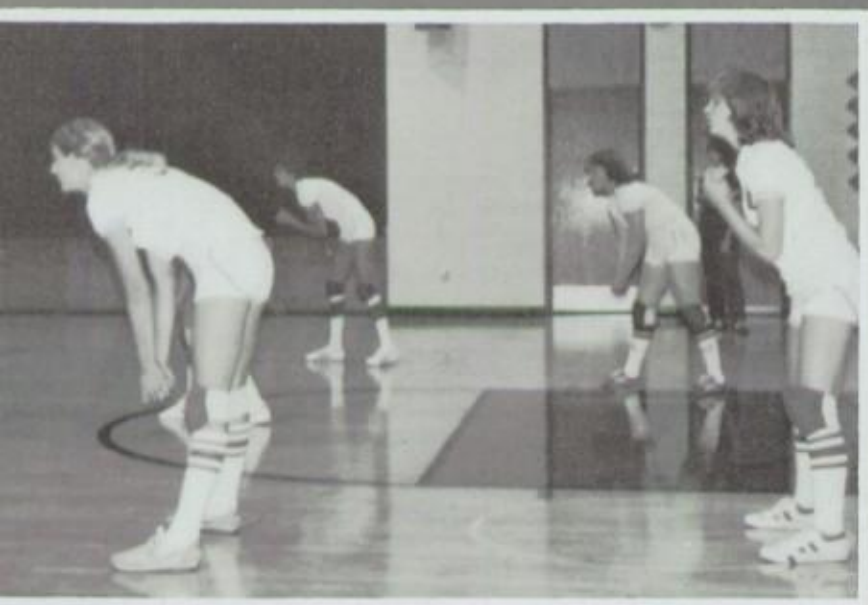
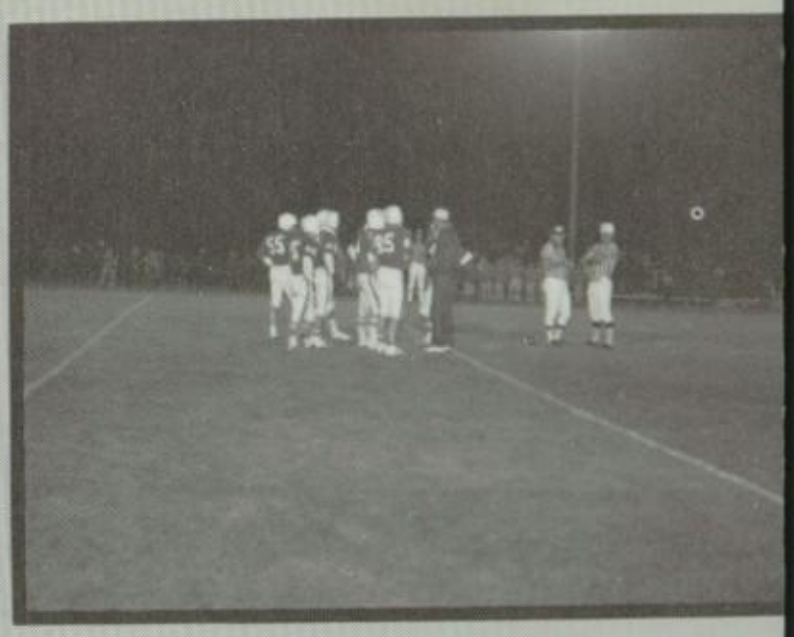
SPORTS





Football

The 1980 football season will be remembered as one of long runs, long pass plays, a great upset, and a heartbreaking overtime loss. The Wildcats put their offensive show on display in the first game against Lennox, an easy 18-8 win. The next team to bite the dust was the Boyden-Hull Comets as the Wildcats ran and passed their way to a convincing 28-12 victory. Next to fall was the powerful Rockets from Rock Valley. The Rockets holding a 7-0 lead late in the game all of a sudden found themselves on the losing end as the Cats completed an 80 yard touchdown pass, then converted the extra points to win 8-7. The following week the Wildcats came up short on their comeback attempt against Central Lyon. Trailing 20-8 with only four minutes remaining in the game, the Wildcats scored twice to tie the score-only to lose in overtime 28-20. After losing to MOC the Wildcats bounced back to defeat George and West Sioux. The final contest of the year saw the Cats Drop a 14-12 game against Sioux Center.

4 Come down here and say that!!

The 1980-81 version of West Lyon Wildcats proved to be an aggressive, hustling ball club that overcame a lack of size with a good defense and a lot of desire and poise.

The Wildcats finished with 12 wins and 8 losses, with big non-conference victories over Lennox and Hills-Beaver Creek. In the strong Siouxland Conference the Wildcats finished with a 5 and 2 mark.

The seniors on the squad displayed a great deal of leadership and will certainly be missed. The seniors on the squad were Erwin Attema, Ken Christensen, Greg Dodge, Mike Heyden, and Doug Lape.

Only one school record was broken in the course of the season. Mike Heyden set the school record for most consecutive free throws made during game competition with 20. The most memorable games during the season were the upset season opener over Central Lyon, the win over Hills-Beaver Creek (Mike Heyden hit a season high of 35 points), and a late season win over Sioux Center.

Mike Heyden lead the squad in scoring with 393 points for a 19.7 a game average. Jeff Kramer followed with 216 points for a 10.8 average. Larry Van Roekel lead the rebounders with 137 rebounds for a 7.0 average. Mike Heyden also lead the team in free throw percentage with 76.6 percent, while Erwin Attema lead the team in field goal percentage of 49.4 and 49 steals. Jeff Kramer lead the team in assists with 68.

Erwin Attema was voted by his team mates as the person who contributed the most to practice and most improved player. Mike Heyden and Erwin Attema were the team's co-captains.

Named to 1st Team All Siouxland Conference was Mike Heyden, while Erwin Attema was named to the 2nd team. Mike Heyden, who finished 3rd on the all-time scoring list, was named 2nd team All-Northwest Iowa and Special Mention All-State.

Girl's Varsity Basketball

The West Lyon Girls had a tremendous 19-3 season due to four young girls that moved up to the varsity with only JV experience. Diane Bunte, Sue Niemeyer, Janet Hamann, and Doreen Pottebaum moved into varsity roles and responded along with Lori and Lois Ranschau to produce a 19-3 season—winning the Siouxland Conference. Doreen Pottebaum led the scorong from the opening game against Estherville 65 points breaking the school single game record to finishing as the 2nd leading scorer in the state with a 43.5 average. Doreen was chosen unanimously as an all Conference pick. The guard court was led by all two time All Conference guards Lori and Lois Ranschau and brought the ball up the floor so well that the team broke another record of fewest turnovers (244) for a season. These two girls will be missed but the entire forward court is intact and some capable young girls such as Linda Grotewold who played much in a reserve role will be expected to fill the slots. Janet Hamann was given an honorable mention for her role in the guard court as she played well and picked off 160 rebounds.

Boy's Track

On May 20 and 30 Head Coach Gramstad and Assistant Coach Smith accompanied District Champion/State Qualifier Mike Heyden to the State Outdoor Track and Field Championships in the Des Moines on the campus of Drake University. Although Mike qualified initially at the district level by winning the 100 and 200 meter dashes, a severe muscle injury prevented him from running in the preliminaries of the 200 meter dash at the State Meet and only allowed Mike a modified performance in the prelinaries and finals of the 100 meter dash.

The trip to the State Outdoor Championships marked the conclusion of yet another rather despondent season in the opinions of track-minded people. The season was rather disheartening in view of the fact that the number of varsity level and junior varsity level personnel continues to decline and to further compound matters, only a limited number of available personnel compete with the intensity which befits varsity consideration.

Girl's Track

The Girls 1981 Track team had a good season running against some very tough competition at every meet. The girls best showing was at the George Invitational missing 2nd place by a mere 2 points. The girls placed 5th in the tough Siouxland Conference meet only 9 points from 2nd place. Again the season was highlighted by the shuttle hurdle relay team being undefeated in competition as they swept Gold at every meet including the district. Running on this unit was Linda Grotewold-Lori Grotewold-Jana Munson and Shari Hamann. Leslee Grotewold also ran at the George meet. Sandi Boer, a senior trackster, also scored a number of wildcat points in the shot-discus and softball throw. Wildcat standout runner Linda Grotewold contributed the most points running the 100 meter dash-100 meter hurdles-hurdle relay and long jump. Jana Munson also contributed many points in the 100 meter hurdle and long jump. Shari Hamann was probably the most improved thinclad as she set a school record in the 400 meter hurdles.

Junior High Football

A season opening loss to Rock Valley in the closing minutes of the game became the handwriting on the wall for the 1980-1981 Little Wildcat football season. In all of the team's 3 losses, West Lyon sailed to protect a lead.

In the Rock Valley loss, the Little Wildcats gave up 24 points in the final 3:18 of the 4th quarter to record its first loss and lost its second game to M-O-C 8-6 in a squeaker and dropped yet a third loss to Akron 24-18 via a pass intercepted in the 4th quarter. In all three losses WL scored 1st. The seventh grade dominated squad did however put both offense and defense together to close out the season with resounding wins over Adrian, MN 21-0 and Beresford, SD 35-14. The 24 man squad should provide the needed experience for a successful 1981-1982 combined team.

One man in each century has been given the power to control time. The man chosen to receive this power has been carefully selected. He must be kind, he must be fair, he must be brave. You have fulfilled these requirements and we of the outer galaxy designate to you the wisdom of Solomon and the strength of atlas. YOU are **HARLEY SCHIEFFER!**
